

SPRAY PAINTER

We are looking for an experienced Painter to join our Operations team in an established family-owned business in Leeds. Wilson Power Solutions are a leading manufacturer and supplier of electrical power distribution equipment and pioneers of ultimate low loss amorphous transformer technology. Our flagship product saves money, saves energy, cuts carbon and offers an innovative solution to the worldwide challenge of reducing energy wastage.

The Role

As a Painter it is your responsibility to ensure our products are painted to the highest standard within our quality framework to ensure the customers' requirements are met on time and in full.

- You will mask, prepare, seal and paint transformers and various metal products within our paint spray booths wearing the appropriate PPE
- You will fit the warranty tags
- Ensure all products are painted to the correct specification
- Managing your own time to ensure tasks are completed to plan
- Identify and work with others to resolve inadequate or unclear manufacturing information.
- Ensure quality standards and factory housekeeping is of the highest standard.
- Ensure all required documentation is completed correctly and on time
- Ensure that the companies Quality, Health Safety & Environmental policies and procedures are constantly adhered with.
- At all times being helpful, courteous and professional.
- Occasionally work unsociable hours when required to meet demand

Skills, Knowledge & Experience:

- Demonstrable experience of prepping/spaying/painting metal products in a manufacturing environment is essential.
- Experience of painting transformers would be a distinct advantage
- Experience of using a pressure pot and compressor system desirable.
- Experience of working collaboratively in a production environment with other operations personnel is essential
- FLT licence desirable
- Overhead Crane licence desirable
- Experience of working within a continuous improvement environment desirable
- Manual Handling skills
- Good communication skills
- Flexible approach as the role may involve overtime including weekends and nights during high demand

Salary and benefits:

- Salary negotiable
- 25 days holiday per year plus 8 bank holidays
- Company Profit Share scheme (paid quarterly)
- Two paid breaks
- Nine-day fortnight
- Healthcare & well-being scheme
- Superb canteen facility
- Pension
- 4 weeks full pay paternity/maternity leave
- EV scheme and on-site chargers
- Bike to work scheme
- Parking on site

Please email your CV detailing your current salary to the HR, hr@wilsonpowersolutions.co.uk. All applicants must be able to demonstrate their right to work in the UK.
